NFIB-9.1/33  
31 March 1978

MEMORANDUM FOR THE NATIONAL FOREIGN INTELLIGENCE BOARD

SUBJECT: DCI Security Committee

1. At the 14 March 1978 meeting of the Board, I announced the reassignment and subordination of the DCI Security Committee under the Deputy to the DCI for Support.

2. The Community Security Group (CSG) is hereby established in the office of the D/DCI for Support to serve as the focal point for Community Security affairs and to provide staff support to the DCI Security Committee. [redacted] is appointed Chief, Community Security Group. He will concurrently function as Executive Secretary of the DCI Security Committee.

3. The Security Committee supported by the CSG will be responsible for advising me on all matters of Community concern with respect to security policy and management. The Security Committee will continue to function under the charter provisions of DCID No. 1/11 (effective 18 May 1976). The Community Security Group will subsume the compartmentation security policy responsibilities heretofore exercised by the Special Security Center, CIA.

4. The nucleus of the Community Security Group will be formed by the transfer of the positions until now associated with the Security Committee staff from the Intelligence Community Staff. The positions associated with compartmentation security policy functions in the Special Security Center, CIA are also being transferred to the Community Security Group. In addition, I am making other positions available from the CIA to complete the organization. Nominations will be invited in the near future from the NFIB agencies to fill some of the positions in the Group on a rotational, reimbursable basis.

5. Effective immediately Mr. Robert W. Gambino, Director of Security, CIA is appointed Chairman of the DCI Security Committee.

6. Effective 17 April 1978 the Community Security Group will be temporarily located in Room 3E 05, CIA Headquarters Building, telephone [redacted]
